Exhibitor Badge Registration Portal

All exhibitors and their staff will be required to wear a badge during the show while on the exhibit floor. These badges will allow free access to the exhibit hall during set-up, show hours and move-out. To avoid the registration lines onsite, exhibitors are advised to register their badges online in advance; exhibitors will receive an email from mer@microspec.com with their login password.

If you can't locate the email, please visit.

<https://www.microspec.com/exreg/login/IDSV2023>, select your company name from the drop-down menu and then click "I forgot my password" to have the email sent to you.

For detailed instructions on how to use the badge registration portal please refer to this [How-To PDF](#). Note, if you have any staff helping you during move-in and/or move-out who will NOT work in the booth during show days, they do NOT need to be registered here.

If you have questions, please contact Abby.Calusin@informa.com.

Complimentary Opening Night Party Tickets, Trade Day Passes & Weekend Tickets

As an IDS Exhibitor you will receive complimentary Opening Night Party tickets, Trade Day passes and Weekend tickets to distribute to your clients and contacts. An invitation email from MicroSpec Registration (the ticketing/registration company) with a custom link to your personal ticket/trade badge distribution portal has been sent. From there you will be able to distribute your allotment of complimentary passes to your network via email. This is a great way to take your company's visibility to the next level, and we strongly encourage you to take full advantage of this offering. Important note: passes MUST be distributed electronically to guests and cannot be held for pick up onsite at the Show.
