Plumbing Services

All services are sold on a per booth or per exhibitor basis. All plumbed sinks or water supply requests will be reviewed to confirm if a plumbing port is available. More than one connection may require plumbing labour. Credit will not be given for orders installed but not used or orders cancelled within 48 hours of installation. Sinks will be provided at the rear of the booth. If you require a specific location or have an island booth please provide a floor plan noting plumbing location, measurements and booth orientation. Please consult the Vancouver Coastal Health Authority for food and health regulations prior to placing any sink orders.
