### Ticket Sales Launch on June 18

IDS Vancouver tickets will be open to the public on June 18. We will launch with our largest discount offering for the 2024 show, and as such, we encourage you to spread the word **after we have launched our tickets**.

If you are contracted for an allocation of tickets, please note that your sales team associate will contact you in the following weeks to ensure you receive your tickets. Please be mindful of phishing and know that you will NOT be required to enter sensitive information or credit card numbers.

The ticket launch will not include the Exhibitor Badge Registration Portal, which will be coming later. More information will be included in a future Exhibitor Essential newsletter.
